

INSURANCE INFORMATION

Although this question and answer sheet is not exhaustive, it is intended to answer those questions most frequently asked.

EMPLOYERS', PUBLIC & PRODUCTS LIABILITY INSURANCE

ACCIDENTS

- Q1.** Mr & Mrs Smith, members of the Affiliated Society, open their garden to fellow members and the public. Are they insured if someone sustains an injury whilst on their property?
- Q1A.** *This depends on what causes the injury. If the injury is as a result of the Affiliated Society's activity and the Society are proven to be liable, then yes. Cover does not include Mr & Mrs Smith's legal liability as property owners. They should inform their household insurers of the event, so extending cover beyond residential purposes.*
- Q2.** An individual trips on the step at the entrance to an Affiliated Society's event. Injuries are sustained. Will the Society's Liability policy respond?
- Q2A.** *Yes - if the Affiliated Society is proven to be legally liable the policy will indemnify the Society for the amount of any personal injury awarded and associated legal costs, up to the limit of indemnity*
- Q3.** We sometimes erect hanging baskets or floral displays, are we covered if a member of the public is injured?
- Q3A.** *In order for a claim against you to succeed it would be necessary for the claimant to prove that you were negligent and liable. You should ensure that the items are safely sited (including not obscuring vision) and securely fixed at a suitably safe height bearing in mind weather conditions which might prevail.*
- Q4.** If the use of our water bowser causes an accident are we covered?
- Q4A.** *Yes - If you are proven to be legally liable.*

NB: *Cover only applies to towed items not self propelled units, which should be the subject of a motor vehicle policy.*

HIRED PREMISES

- Q5.** We are hiring the church hall for our show. If an injury is caused due to a problem with the building, i.e. a frayed carpet causes someone to trip, are we insured?
- Q5A.** *Liability attaching to the property is the responsibility of the owner. Your Affiliated Society can only be responsible for their activities therein.*
- Q6.** Are we covered if the Affiliated Society causes damage to the hired property or marquee?
- Q6A.** *There is a Hired & Rented premises clause included, that provides cover for loss or damage to such property for which the Society is legally liable.*

EMPLOYEES

Q7. Are we insured if we employ people?

Q7A. **Yes. Your policy automatically incorporates Employers Liability cover so that if you are shown to be negligent, cover will apply to both volunteers and paid employees for death or injury from accidents or industrial disease. You will be issued with a statutory certificate confirming cover which must be displayed and we recommend it is retained after expiry of the policy period as evidence of past insurance.**

INJURIES TO MEMBERS

Q8. If we organise a trip to a “National Garden” or similar place of interest and a member of the party is injured whilst on the trip will our Liability policy respond?

Q8A. **Yes, such trips organised in the UK, are accepted by Insurers as an Insured activity. The injured party will need to prove that the Affiliated Society’s negligence has caused their injury for a claim to be successful.**

Q9. If one member should cause injury to another during a Society event, is there cover?

Q9A. **Yes. There is a Member to Member clause included, but it is still subject to legal liability being proven.**

Q10. Are we covered if we hold our event/meeting in a town hall?

Q10A. **Under the “Liability Insurance Scheme” cover is extended to cover “Hired & Rented Premises”. Liability attaching to the premises is and remains the responsibility of the Property Owner. The Affiliated Society using the premises can only be held responsible for their activities therein.**

Q11. Are volunteers covered?

Q11A. **Yes, subject to the Affiliated Society being legally liable for any injury occurring. (See 7 above)**

OUTSIDE EXHIBITORS AT GROUP EVENTS

Q12. Will our insurance include their Liability?

Q12A. **No. You should ensure they have their own insurance in place.**
